

**COMPLIANCE WITH EU ENVIRONMENTAL POLICY
(ONLY FOR WORKS AND STUDIES WITH ENTAILING PHYSICAL INTERVENTIONS)**

CONTACTS SPW

- **Monitoring of the Natura 2000 network - « Birds » and « Habitats » Directives**
- **Environmental Impact Assessment - « EIA » Directive**

If the proposed action includes physical interventions affecting a site designated as protection zone under the "Habitats" (92/43/EC) and Birds (2009/147/EC) Directives, please contact the Department of Nature and Forest from the Public Service of Wallonie (DG03).

For the assessment of the effects of projects on the environment – the "EIA" Directive (85/337/EEC), please contact the Department of Nature and Forest from the Public Service of Wallonie (DG03).

You should contact the regional branch of this department depending where your action will be located.
